209 ART SERIES CABERNET MERLOT

A RED WINE OF CLASSICAL BREEDING AND DISTINCTION.

When once asked why the Barossa could make so many different wines, Peter Lehmann replied, "Because we can!" - testament to the Barossa's viticultural heritage, its ability to excel across a variety of wines and its reputation as Australia's greatest winemaking region.

Cabernet Sauvignon and Merlot, two of the world's great red wine varieties, flourish in the Barossa. As single varieties they have made their mark, but blended in carefully selected proportions, each brings to the other an added dimension to give a red wine of classical breeding and distinction. Our Barossa Cabernet Merlot is a great example of the ability of these two classic varieties to create a rich and harmonious blend.

Andrew Wigan, Chief Winemaker

Winemaker's note

This wine has a deep brooding black cherry colour. The nose shows classical aromas of black currant and plums with a hint of violets. The palate offers dark chocolate and blackberry: the beautiful fruit reined in with supple fine-grained tannins and it has a tight savoury finish. A wine of superb structure and style.

Vintage

The 2009 vintage started early with a week of hot weather. Following this, the climate settled down to an extended spell of warm, dry days & cool nights producing wines with excellent colour & flavour.

Vineyards

Selected mature Cabernet Sauvignon, and Merlot vineyards dotted throughout the Barossa.

Winemaking

Fruit was fermented to dryness on skins. Following pressing, clarification and blending, the wine is matured in French and American oak hogsheads for 12 months prior to bottling.

Enjoy

Try with a chorizo and pepperoni pizza, vegetarian lasagne, a slow cooked Ragu or even a paella.
