PINOT NOIR 2008

Region

Victoria

Appearance

Medium red in colour with a purple hue

Bouquet

Complex cherry like Pinot fruit aroma

Palate

The palate shows good concentration of typical Pinot Noir characters. Including cherry and strawberry. There are underlying spicy characters that give added complexity.

Vintage Conditions

A warm dry growing season enabled Pinot Noir grapes to reach optimal maturity.

Winemaking

Fruit parcels are selected and picked to maximise fruit flavour. The fruit is both hand and machine harvested with a small percentage of the hand harvested fruit used for whole bunch inclusion. A combination of winemaking techniques are used to produce a final blend with complexity and balance. These include cold maceration prior to fermentation, inclusion of whole bunches and warm fermentation at 30°C to 32°C. The components remain separate until final blending. Minimal handling and filtration is adopted to preserve fruit flavour. Partial maturation in oak casks with the balance matured in tank to retain freshness.
